*This application becomes a permit, when approved, to conduct paleontological investigations that will disturb fossils, and for any excavations or collections on state managed lands, as required by law under the provisions of the Utah Code for the Utah Geological Survey (Utah Code Annotated Sections 79-3-501 and 79-3-502). Applications must include letters from the Natural History Museum of Utah and the specific land management agency recognizing the proposed repository as valid for state fossils. Permits are issued on a calendar year basis and are subject to the attached **SPECIAL CONDITIONS**.
